```
...
150702 15:25:08 2 Connect phpmyadmin@localhost on
                 3 Connect root@localhost on
                 2 Init DB ESUG2015
                 2 Query SET CHARACTER SET `utf8`
                 3 Query SELECT * FROM `petitparser`
                 3 Quit
                 2 Quit
150702 15:25:09 4 Connect phpmyadmin@localhost on
...

```

2 Query

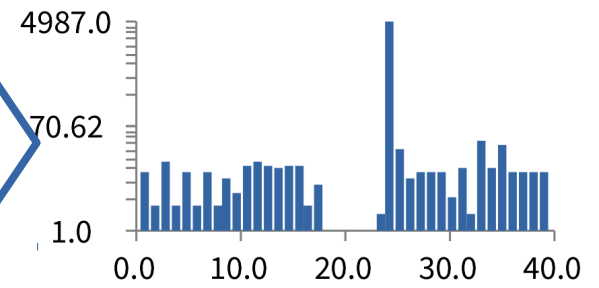

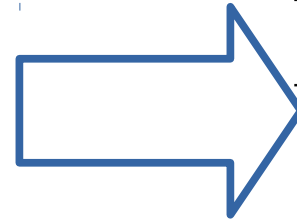

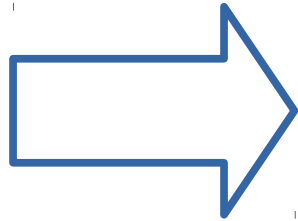

SET CHARACTER SET `utf8`

number → #digit plus

queryKW → 'Query'

sql → #newline negate star

query → number, queryKW, sql
